

Photo Release

Occasionally Saint Patrick's Preschool prepares press releases about school events that may be of interest to the community and sends them to the local press along with photographs taken during the event. In addition, the school might use photographs taken in class or during special events in marketing materials, including brochures, print advertising, school website, and facebook page. Please indicate your level of permission and sign below:

_____ Yes, you may use photographs of and **identify** my child in press releases and/or marketing materials.

_____ Yes, you may use photographs of my child, but **please do not identify** him/her in press releases and/or marketing materials.

_____ No, please do not use my child's photograph or name in any press releases and/or marketing materials.
